

why is hearing health so important?

Ear Disease is serious; it can lead to loss of hearing forever.

But there is good news!

Ear Disease can be prevented and treated.

Hearing Health Clinics

Hearing Health Clinics are carried out within our Toowoomba Mary St, Hub and Warwick Clinics, as well as a majority of the schools within our area. We are able to offer Hearing Screenings to adults and children from the age of 3 years and up.

If you have any questions, or wish to enquire about availability of appointments, please call one of the Clinics on the below numbers:
